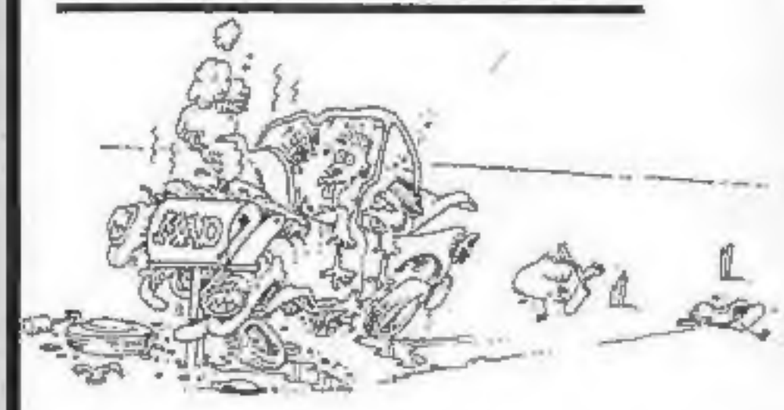
LETTERS AND TOMATOES DEPT.



HE DOESN'T KNOW SPIT

In issue #320, the 3rd item on Bill Clinton's "Things-To-Do Lists of the New Clinton Administration" reads "Instruct Al on how to drain the spit-valve on my sax." Holy Woodchuck feathers! Only brass instruments and extremely large woodwinds have spit-valves. Most members of the woodwind family are de-salivated through the use of rags or swabs, but not spit-valves!

Tom Dennehy
Boston, MA

De-salivated? Rags? Swabs? Spit-valves? Are you sure you wanted to send your note to our letters page and not the letters page of *Penthouse*? Thanks for writing, you horny dog!—Ed.

SCRABBLE BABBLE

As a bona fide Scrabble fanatic, it is my duty to point this out. In issue #320's "MAD's Rotisserie League Draft Form," you have Xavier Hernandez being worth 84 points on a triple word score. Hernandez alone would be worth 66 points, along with 48 for Xavier, totally 114 points, not to mention the 50-point bonus for using all of the letters. Please try to keep the facts straight in the future!

Mike Baldoumis
Danbury, CT

Mikey—As our response, we're thinking of a two-word phrase that would score 72 points on a triple word score with a double letter score thrown in for good measure! Even though the coarse two-word phrase we're thinking of is against official Scrabble rules, we could care less!—Ed.

In your "Rotisserie League Draft Form" It said of Xavier Hernandez: "When placed on a triple-word score during a Scrabble game, his name scores you a whopping 84 points." Well, first, you can't use proper nouns in a Scrabble game and second of all, you score 780 points, not 84!

Nicole Anderson
Latrobe, PA

780 points? Hoo boy! Mike Baldoumis Vs. Nicole Anderson in a Scrabble playoff! Now there's a Pay-Per-View event even we'd pony up the dough for!—Ed.

DISHING MAD

I am an avid reader, collector and fan of MAD. Recently, my Mom gave me a plate set where one can design their own plate. I designed a cover of MAD—a picture of the plate is enclosed!

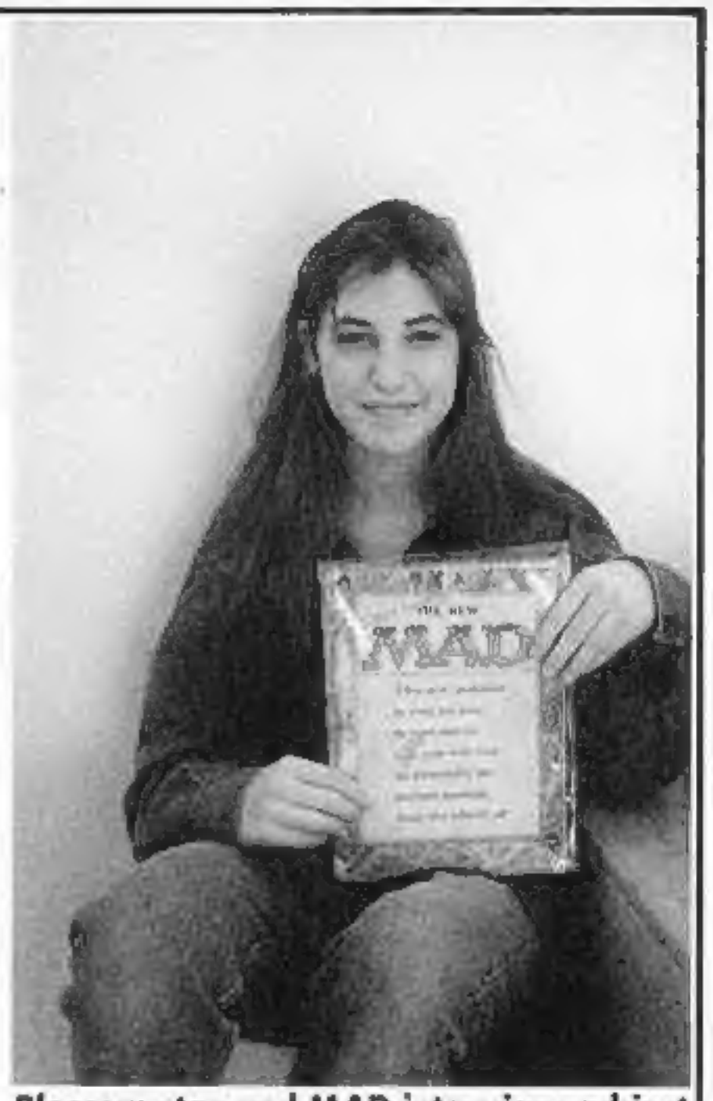
2-QUESTION INTERVIEW

We are pleased to kick off a new MAD feature, the 2-Question Interview! Our first interviewee is Mayim Bialik, the lovely and talented star of NBC's top-rated sitcom, *Blossom!* The goal of MAD's 2-Question Interview is to prove that, unlike other publications, we don't need to ask fifty, or twenty, or even *three* questions to present comprehensive, in-depth profiles of today's most popular and exciting personalities!

QUESTION ONE: Have you ever participated in a two-question interview?
MAYIM: No, I've never had the pleasure.
QUESTION TWO: Now that it's over, how do you think it went?
MAYIM: I think the first question kind of threw me off, but with the second one I felt more comfortable.

We thank Ms. Bialik for giving of her time to take part in MAD's 2-Question Interview.

Guarantee: MAD 2-Question Interviews are genuine and presented verbatim!



***Blossom* star and MAD interview subject Mayim Bialik relaxes in Hollywood with an authentic, rare and *valuable* copy of MAD #24 from her father's own collection!**

OH, CANADA?

I was really disappointed with "Enjoy and Profit From World Cup Soccer" in MAD #320 which made fun of soccer. I would like to see you fat slobs sprinting around the field for 90 minutes. And your American sport baseball—all they do is walk to the plate and hit a ball! Have you ever noticed all baseball players are FAT? For instance, Babe Ruth. Do yourself a favour and put a bag over your head!

Ian Murray
British Columbia, Canada

Thank you so much for your "What's Right With America" feature (#320). As a Canadian, I've been waiting for an answer to this puzzle for some time. Finally, I know there are at the very least 16 positive aspects to the U.S.A. I can't think of a 17th, but thanks again!

Tracy Martell
Alberta, Canada

You want a 17th thing that's right with America? You don't live here! Number 18? That yahoo hoser who wrote the letter above yours doesn't live here either! We'd warn you against going to a soccer game and getting trampled in the usual riot following your pathetic Canadian team's loss, but hey, everybody knows the players aren't fat!—Ed.

Mike Geer's MAD plate (inspired by the cover of Super Special #55): can a Spy Vs. Spy tea cozy be far behind?

MAD'S BIG ANSWER

In MAD #320 we posed our first Big Question: If you could perform unnecessary Root Canal on any celebrity, who would you choose and why? Well, we continued counting votes until the eleventh hour, because that's when we decided to stop! Here are the top three vote-getters along with representative comments from our readers. To the top 3 winners, we say, "Open wide!"

1. Rush Limbaugh
"Anyone arrogant enough to write a book titled *The Way Things Ought to Be* deserves it *unanesthetized!*"
—Sarah Bookman, Memphis, TN.

2. Gilbert Gottfried
"Maybe then he would shut his yap long enough for us to tell if he really has eyeballs!"
—Bob Hoffstetter, Ft. Lauderdale, FL.

3. Barney the Dinosaur
"Because I would love to see him sing 'I Love You, You Love Me...' with his mouth stuffed with gauze and his jaw shot up with Novocain!"
—Lars Engstrom, Providence, RI.

Other top vote-getters included Madonna, Roseanne Arnold, Macaulay Culkin, Bill Clinton, Whitney Houston, Ross Perot, Arnold Schwarzenegger, Michael Jackson, Dan Quayle and Alfred E. Neuman!

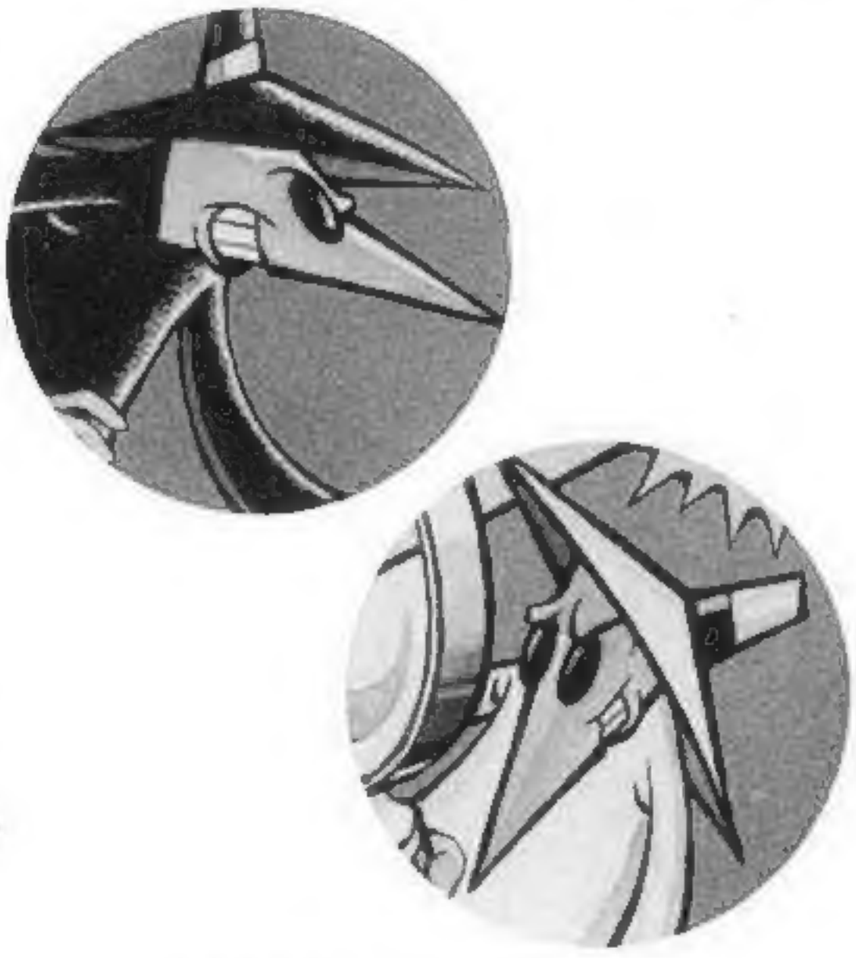
THE COLD WAR MAY BE OVER,



BUT THE LUKEWARM WAR RAGES ON!

On Sale Wherever Books Are On Sale!

THE DORK KNIGHT DEPT.

The new Batsman cartoon series on TV is said to be based on the dark, moody Batsman movies. (Personally, we think it's based on DC Comics' insatiable desire to milk even more money from the Dynamic Duo!) But since we desire to fill five pages regardless of the worthiness of the subject, here's our version of...

There it is, Commissioner Gorey, the **new Batsmobile!** Crime villains **don't stand a chance** in Gothic City now! It has a **Batslazer Scanner, a BatsRotor Scope Modulator, Halogen BatsHeadlights,** and best of all, a **Gyroscopic BatsMug** to keep my **BatsCoffee** from **spilling** all over my **BatsLegs** when I'm driving!

This **BatsBaby** can travel in excess of **200 BatsMiles** an hour, and it has a **Teflon BatsGrille** for ease in **scraping off bodies of pedestrians** I've **creamed** in pursuit of the **criminals** that **infest** our fair city!

When you add **all** that to the **Luminescent BatsComputer** and the **Tumescent Crime-sensitive BatsRadar,** you can see why I'll be able to stop **100%** of the **crime 100%** of the **time** for **100 miles** in **any direction!**

Hmm, **too bad** your system doesn't work within a **100 yard radius,** Batsman! Those same fiendish criminals you're talking about are **robbing us blind right under our noses!**

ARTIST: SAM VIVIANO

Batsman! It's the **BatsAlarm!** Turn on the **BatsMonitor!** The **BatsCam** must be **filming a crime!**

I'd like to **turn on the Bats-Monitor,** Ribbin', but I can't find the freaking **BatsRemote!** Neuman, my loyal and devoted **BatsButler,** help!

Here's your **Bats-Remote! I found** it mixed in with your **X-Men collection!**

It's **too late,** Batsman! The **per-pe-trators** are **gone!**

But we can use the **BatsCam** to scan the room for **clues! Look!** A **top hat,** an **umbrella** and a ratty **bowtie!** Now we can use our **super high-tech BatsComputer** to figure out what **villain** uses those **things!**

But it's **obvious!** Any **moron** knows it could **only** be the **Peng-**

Don't **spoil it** for me, **Goy Wonder!** I paid **big bucks** for the **BatsComputer** and I've got to **use it!** Otherwise I can't **deduct it** on my **taxes!**

ACME

Come on, give us a break! So the Batsmobile takes up three parking spaces and we only put money in two of the meters! We're Batsman and Ribbin'!

Hey, I give you a break, and the next thing I know some other meter-beater like Bill Clinton or the Pope is gonna want a break, too!

WRITER: DICK DEBARTOLO

Master Bruce, there was just a bulletin on TV! The Pengrin has vanished without a trace!

Damn! Just when my Bats-Computer figured out that the villain with the top hat, umbrella and ratty bowtie WAS the Pengrin!

Perhaps you should get off your Bats-Butt and spend a little less time frolicking with Master Ribbin' and a little more time chasing down criminals!

Look! The Jerker's on TV! I bet he's unleashing another of his diabolical plans on Gothic City!

No, I've seen this before! It's his info-mercial!

Call me now on the Psychotic Friends Network! Only $9.95 a deranged minute! Ha-he-ha! 24 hour minimum per call! Ho-ho-ho!

See? The Jerker's joined a higher class of thieves along with Cher and Dionne Warwick! But I wonder what he's really up to! Let's drive downtown and see!

PHILCO

I just got the **weather forecast**, Batsman! There's a **full moon tonight!**

Great! I love it when it's a **full moon!**

Because it's **easier catching villains** in the **moonlight?**

No, because I look really **hot** when I **stand** on a **rooftop**, silhouetted in front of a **full moon!** ***Full moon, tight spandex, you at my side...*** **oh God! Sorry**, I was drifting!

Okay, let's get **going!** Did you **remember** to check the **BatsOil** and the **BatsGas?**

Yes, and I remembered to charge the **Bats-Battery!**

What's that **ter-rible** crashing **sound?**

I didn't **remember** to open the **BatsGarage Door!** We just **smashed through** it!

I BRAKE FOR SWAMP THING

AAA

MACK

Computer, we **have to locate** the **Jerker!**

Impossible! The **Jerker's** been **rubbed out!** And **Detective Bullhorn** has also **vanished!**

Strange! First the **Penguin**, and now the **Jerker** and **Detective Bullhorn** are **gone!** Both **good** and **evil men** are **disappearing!** Any **thoughts, Ribbin'?**

This is supposed to be a **bad year** for **potholes!** Maybe they're even **deeper** and more **dangerous** than we **realize!** Or maybe they all **committed suicide!** Ya know, **Gothic City** hasn't had **daylight** in over **40 years!** It gets to **people** after a while! This place is even **gloomier** than **Seattle!**

SUPER MARIO

BATS SEAT BELT

Why did you **stop** the **Batsmobile?**

I saw a **strange shadow** in that **warehouse!**

SCREECH!

How come the **audience** doesn't get to **see** the **strange shadow?**

Because it's **much cheaper** to do these **extreme close-ups!** When you just see a pair of **eyes**, or only a **tire**, the **animators save a bundle** on **production!**

OUT OF ORDER

This is another way the producers **save money**—**totally dark panels** just like the **movie!** But this is **nuts!** I **can't see** where I'm walking, Batsman!

Don't worry, Ribbin', **I've got your hand!**

Er...that's **not my hand,** big guy!

Oh...**Sorry...** "**little guy!**"

Look, Batsman. It's **Catty-woman** and the **Scabcrow!**

Careful, Ribbin'. Catty-woman is releasing some **horrible gas!**

That might be **me,** Batsman! We **did** stop at **Taco Bell!**

It doesn't **matter!** We **must** have some **gas** in every episode! Animated programs can't show **blood** and **guns** so the villains **always** use some **mysterious gas** to put us to **sleep!**

Who **needs** gas?! It's the **preposterous plots** and **hackneyed dialogue** that **always** make me **drowsy!**

SSSSSS

BAM!

CRASH

THUMP!

Are you **hurt,** Batsman?

No! Luckily those boxes just contain **harmless sound effects!**

THUMP!

CRASH!

Batsman **took off** after Cattywoman, but he **seems** to be going **in circles!**

He **is,** Commissioner! His BatsRope **missed** the billboard on the top of that building and **got caught** on the **blade** of your **police helicopter!** Look at him **go! Wheee!**

You can **stop** looking for **weapons** in your **BatsBelt** to use against Cattywoman! She suddenly **vanished without a trace!** And so did the **Scabcrow!**

I'm **not** looking for **weapons,** I'm looking for **aspirins!** That helicopter spin gave me **one ferocious BatsMigraine!**

SUPER SOAKER

Popular Science

Cheerios

Good grief, Batsman! Certainly you've taken **everything** you possibly can **out** of your **BatsBelt!** There can't be **anything else left in there!**

There's **one more thing** left, Ribbin'—**another BatsBelt!** Now I can start **all over again!**

7

Batsman, this is **D.A. Bent!** More weird happenings! Now **Position Ivy** has **vanished without a trace!**

Is D.A. Bent **in your tights, too?**

No, silly. I just have a **police radio** in there hooked up to a pair of **stereo speakers in my socks!**

I just don't **understand it!** Seven of Gothic's most notorious **villains** have **disappeared,** along with **two of my friends** on the police force! **Who** can be **rubbing them out?**

I don't know, but **whoever** it is believes in **equality!** They're **rubbing out the good** and the **bad!**

It's **obvious** we're dealing with a **Politically Correct killer!**

Batsman, you own **45 different enterprises,** but **one** of them makes **more money** than the other 44 put together— **Wayne-Co Replacement Windows, Incorporated!**

You've **finally** figured out why I **never** enter through a door! I always **smash in** through a **picture window** or **skylight!** Replacing them costs a **fortune** and Wayne-Co has **all the contracts!**

PRACTICE SKYLIGHT

I haven't seen **Neuman** around today! Do **you** know where he is?

I'm **afraid** I had to **let him go!**

After **all** his **years of loyal, dedicated service** to you? **Why?**

He **doesn't** have a **Green Card!** Ever since the **Clinton/Zoë Baird** fiasco the press is making a big deal about people who hire **illegal aliens!** I **couldn't** take the **chance! God,** how I'll **miss** his **long... slow...slow...rubdowns!** But I'm **drifting again!**

Ribbin', **look! Whoever** or **whatever** has been **rubbing** out the **others** is **now rubbing me out!**

Do you have **any** idea **who** it is?!?

No, do **you?** Better answer me quick, Ribbin', before he **erases my ears** and I won't be able to **hear you! Nuts! There they go!**

I, **Adam West,** erased Batsman! **Enough** is **enough!** I was the **greatest TV Batsman** for years! But when they made **two** Batsman movies **who** did they call? **Me?** No, that **creep Michael Keaton!** Now they have this moronic **cartoon show!** Again, do they call **me** to do **Batsman's voice? Nooo!** And what about my old pal, **Burt Ward,** the greatest Ribbin' ever?! Sure, he's **57** now, and he's put on a **few pounds,** but he's a **spry 57** and would make a **swell Goy Wonder!** With **this** Batsman gone maybe **my** BatsPhone will start to **ring...ring at last!**

ARTIST: TOM BUNK

WRITER: CHARLIE KADAU

They still have the same tired attractions you saw last time you went!

In the Hall of Presidents, the Richard Nixon mannequin is still allowed to sit with the other mannequins!

Disney employees keep letting all those pesky Super Bowl, World Series and Olympic Champions cut to the front of the line!

No one bothered to tell those huge Florida mosquitoes that the swamp Disney World is built on isn't there anymore!

This might just be the year the Magic Castle collapses on hundreds!

To afford the trip, you have to stay at a roach-infested motor lodge miles from the park!

SWAMP RESORT

Water from the Splash Mountain ride is now being shunted to the park's water fountains!

Rides that could kill or maim you are being supervised by disinterested teenagers earning minimum wage!

SAFETY GUARD

TOM BUNA was here NOT!

The mildew smell from the "Dinosaurs" costumes has gotten pretty bad!

You won't be able to get the song "It's A Small World" out of your head for months even though you hate it!

TO EVERY PROBLEM THERE IS A POLLUTION DEPT.

There's two things Vice-President Al Gore can't stand: his wife Tipper's jumbo thighs and the pollution of our environment. Many Americans agree and are working to get rid of this sickening national embarrassment. (The pollution that is, not Tipper's thighs!) But while trying to save the environment, these people soon realize that they're fighting a losing battle and are forever doomed to be nothing more than...

THE FRUSTRATED ENVIRONMENTALIST...

THE DOWNSIDE IS...

THE FRUSTRATED ENVIRONMENTALIST...

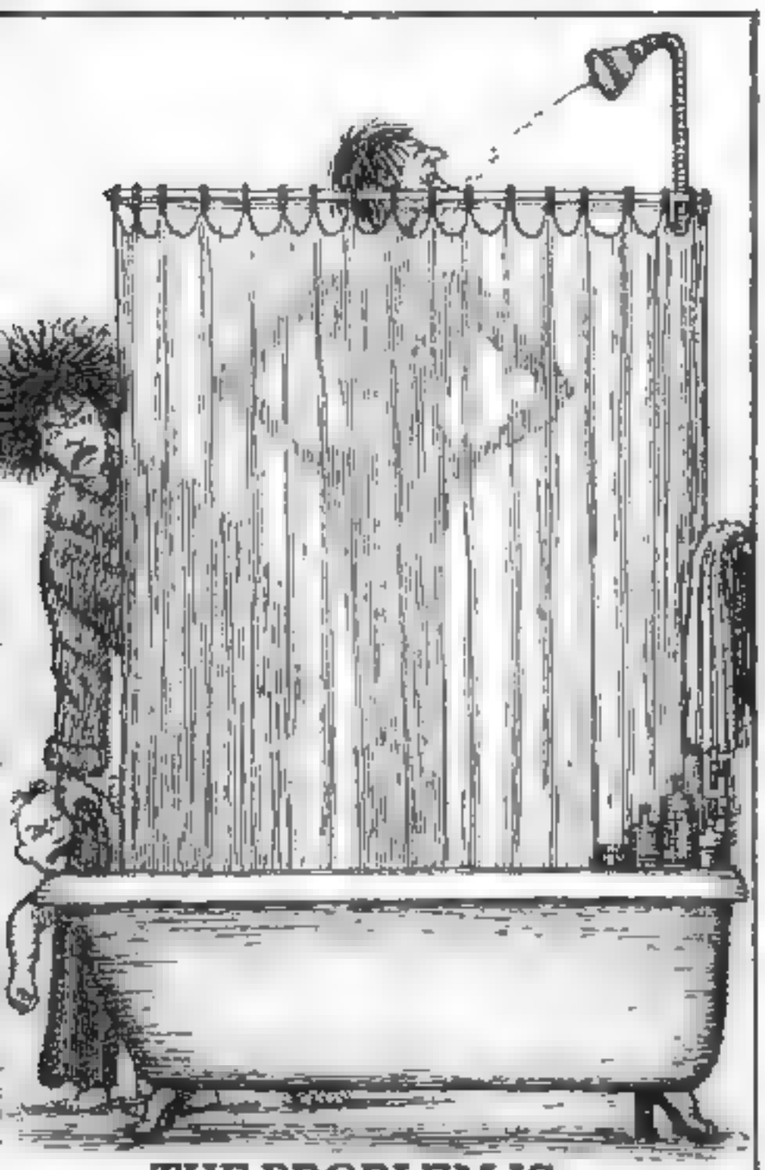
TOO BAD THAT...
...To keep insects from eating the trees, he has to soak them with powerful pesticides that destroy the air!



THE PROBLEM IS...
...To rinse off, he has to stand under the pathetic trickle of water three times as long, using up just as much water anyway!

THE FRUSTRATED ENVIRONMENTALIST...
...Orders solar panels that heat and cool her home without using any environmentally unsafe fossil fuels.

SADLY...
...The solar panels are so delicate that they're packaged in tons of non-biodegradable styrofoam that'll lay around landfills for a billion years!

THE BAD NEWS IS...

Does Robert Redford keep getting older or does he just keep getting better? The answer: he just keeps getting older! "Better" is going to have to wait for another movie! And when was it decided that Demi Moore is terrific and has great popular appeal? And where were we when the vote was taken? As for Woody Harrelson, he's proof positive that not only can't some White men jump, some can't act either! But enough! We don't want to tire you with all this text and no pictures! We just wish that when the script for this dog first came in, the studio executives simply flushed it down the toilet and given it...

A DECENT DISPOSAL

ARTIST: ANGELO TORRES WRITER: STAN HART

Will you spend one night with me for a million dollars?

I'd love to, but I can only afford to give you $5,000!

I don't think he can convince her to go with him!

Why not? The man's a billionaire!

So am I! But I've never had any takers and I keep making the same offer!

That's because he looks like he looks and you look like you look! By the way, just who are you?

Ross Perot!

As an architect, I can honestly say that I've built the most beautiful house in California!

But what happens if there's an earthquake?

Then I can honestly say that I've built the most beautiful house in the Pacific Ocean!

Hey, what are you guys doing in this picture?

Isn't this the movie where a rich guy buys a poor guy's woman and has sex with her?

Yeah, so?

So that's the plot of *Honeymoon In Vegas*—and we're in it!

Geez! After *Sister Act* and then *Honeymoon in Vegas* and then *Wrestlemania IX*, is there anyone interested in seeing another Las Vegas farce?

Sure I love you, but you're such a slob! How many times have I asked you to empty that stinking cat litter box?

Okay, I'll do it! I'll do it!

You've been saying that ever since the cat died, three years ago!

WHITE MEN CAN'T DUMP

Dad, we need a lot of money, so I've decided to go to Las Vegas! We're going to gamble our last $5,000 and try to win big!

You've got to be the world's biggest schmuck to do that!

Actually, I'm not—you are! We'll be using the $5,000 I just borrowed from you to gamble with!

The Schmucks

Seven, a winner!

I'm so excited, I can't control myself!

Neither can I!

Isn't it nice to see a loving young couple so happy?

Yeah, but it makes it hard to throw the dice!

That's nothing! The dealer couldn't shuffle the cards at the black jack table!

WHITE MEN CAN'T

They put all their money on one spin of the wheel! But there's no suspense! They're sure losers!

But how can you be so sure?

Because if they win, the movie is over!

I just signed for a million dollars worth of credit!

Why not get it in quarters and play the slots...slowly! At 25 cents a pull it might keep you busy until you make another hit movie!

You need money, so I'll give you a million bucks for one night with your wife!

I don't care how much money you have! My wife is not for sale!

I'm not buying her! I'm just renting her!

In that case, let's talk turkey! You want a six-hour lease? An eight-hour lease?

Say, any chance of taking me for a half million?

Darling, you'd really do that for me?

Why not? He's prettier than you are!

It's here in the contract! You get a million dollars after she spends the night with the rich guy! For my services, I take 5%, which comes to $50,000!

Is a contract for something like this legal?

No way! If it was, I'd take 10%! After you both sign it, do you know what you'll be?

Millionaires?

Well... I was thinking of "pimp" and "prostitute"!

Wow! You look lovely in that outfit!

And you look lovely in that white suit!

It's my favorite! I wore it in *The Great Gatsby*!

I thought a person like you would never wear anything you were seen in before!

That's true! But don't forget, nobody saw *The Great Gatsby*!

If you were mine, I wouldn't share you with anyone!

If my husband had your money, neither would he!

When we go into my bedroom, I don't want you to be nervous! Just act natural, like we've known each other a long time!

The way you waste a million dollars, you must work for the government!

I want to hear all about it!

I won't tell you! I'll only say that when I was with him, he made me feel like a real woman!

When you were with him, he made me feel like a real woman too, because he cut off my family jewels!

Promise that you won't do anything like that ever again!

I promise!

Is he really stupid enough to believe anything I say? He knows I'm a real estate broker!

Be honest, why do you want me?

Just to prove that people will do anything if the price is right!

But you already proved that by agreeing to appear in this awful picture!

She's left me to go back to him! At least I think she's left me! I'd better check! She may be here someplace under all this crap!

I'm proud of how well you are all doing in this citizenship class! Are there any questions?

Señora, I am only a poor, uneducated migrant worker so maybe I do not have the right to ask about something that puzzles me greatly!

Of course you do! This is a democracy!

Buenol My question is: What is this scene doing in this movie?

It's not that much of a democracy! Sit down and shut up! And let me remind you that it was people like you that made *The Milagro Beanfield War* a bomb!

Do you think it would be possible for me to make love to you again?

Why not? I accept *Visa, Mastercard* and *American Express!*

What am I bid for this hippo-potamus?

I bid fifty thousand dollars!

Yeah, well I bid one million dollars!

You did that because you don't want any part of the money! It means you really love me!

It also means that by bidding a million dollars, you not only have nothing left, but you're now in debt for the $50,000 commission you owe me!

Don't forget to empty the hippo's litter box! And go see who's knocking on our door!

Oh, wow! You'll never believe who it is! It's Julia Roberts!

Can I have the address of that rich guy who gave you a million bucks for playing "Crease The Sheets"? Hell, I did the same thing with Richard Gere in *Pretty Woman* and all I got were some glitzy Rodeo Drive clothes and a few lousy nouvelle cuisine dinners!

Boy, did we lose out on everything! We're out the million bucks we bargained for and now we're stuck with a smelly hippo that eats a ton of expensive food every day!

Not to worry, love! Our rich friend is even sicker than we thought! He just offered me TWO million bucks to spend a night with the hippo!

It is a well-known scientific fact that one's physical characteristics—everything from the size of the uvula to the shape of the schnozz—are determined by genes. But startling new research by Dr. Grady Pounder (a pioneer in the "startling new research" field), proves that genes are also responsible for all the furshlugginer idiosyncrasies and pesky personality traits of human behavior! To be or not to be? That is the question!
Pray, do I hang tough on the throne or liveth

Do I suffer the flings and sorrows of
outrageous loonies, or do I call a reign-out
and retire to the boonies?

Behold my son, the dweeb who would be king!
What misery doth his sex-life bring!
Alas, he yearns for hotter action on the side,
Which serves to tick off royally his bride!
Goodnight, sweet Prince, thou cannot escape
Thy hanky-panky caught on tape!

Yon Diana has a lean and hungry look!
Methinks 'twas one too many diet pills she took!
Forsooth, she gives good curtsy as Princess of the Brits,
But, lo, the Prince doth spurn her, and calleth her a ditz!
Ah, but yet he might have kept her
Had he let her dally more with his royal sceptre!

Hark! "Save the Wales!" rises up the call—
"'Twould be the most unkindest split of all!"
But, nay, the Di is cast, midst great lament!
Yea, this is the whimper of her discontent!
But pray mark well the scheme that 'neath her beauty lurks—
She doth kick out the Prince but keepeth all the perks!

Than to sully the crown with this common floozie,
This wanton wench with her hordes of suitors—
Fie on her! Fie on her hooters!
Her pounds of flesh too heavily weigh!
Out, damned slut! Out, I say!

A plague on all their spouses! I've much graver trouble!
My wealth now is taxed; my castle burns to rubble!
